HISTORY

Midmark (India) Pvt Ltd. (Formerly "Janak Healthcare Pvt. Ltd") was established in the year 1951. Midmark India is an ISO 9001: 2015; ISO 14001: 2015, and ISO 13485: 2016, OHSAS 18001-2007, CE Company. Midmark (India) is the market leader in its segment in India and pioneers in delivering quality healthcare solutions employing ethical business practices. We provide a full suite of patient care equipment and service solutions. Midmark (India) has been the first in India to develop Intensive Care Bed, Emergency and Recovery Trolleys, Two-Section Labour Table & India's first electrically operated Hospital bed.

Midmark (India) is a fully owned subsidiary of Midmark Corporation, which is a leading provider of Medical, Dental, and Veterinary office equipment in the United States of America.

We are the first Company in India to adopt state of the art nanotechnology for pretreatment and powder coating, which delivers high standards, is eco-friendly and a nonhazardous process. We operate in four main business areas: ICU and Ward care Solutions including

Hospital beds, Mattresses, and Ancillary Furniture; Patient Transfer Solutions including E&R Trolleys, Stretchers, and Wheelchairs; Examination Room Solutions with our expertise around physician and patient workflow; and Operating Theatre Solutions.

By employing advanced technology and best manufacturing practices, we have not only built quality and market-leading products that meet customers' needs for more efficient and effective patient care but have maintained customer relationships built on integrity and trust. Midmark India is focused on helping physicians and care teams deliver the best patient care with better equipment. The belief reflects in our supply of equipment to most national and regional hospitals across India as well as several international hospitals in Asia and Africa.

Beyond our dedication to enriching the point of care experience in the markets we serve, we are passionate leaders, elevating the game and delivering winning solutions to meet customer needs. We are agile, anticipating the future, reflecting, and taking action.
