A DOCTOR!**

THE MIDMARK (INDIA) CARE EXTENDED WARRANTY PROGRAM

Quality of our products is equally matched by the quality of our after sales support, which results in the low cost of ownership. We stand proudly and confidently behind our products to give you the ultimate peace of mind experience. With over 140+ touch points across India, we provide an exceptional customer support in our segment.

The Midmark (India) CARE is inspired by our passion to create a positive difference for you. It is an extended warranty program that continues to cover your Midmark products beyond it's standard warranty and promises to deliver a prompt service to maximize product life.

The Midmark (India) CAREfor the ultimate peace of mind!
