## Press Release

FOR IMMEDIATE RELEASE

# Janak Healthcare Private Limited is now Midmark (India) Private Limited

**Mumbai, September 15, 2016** — Janak Healthcare Private Limited- a Midmark Company, a recognized leader in the healthcare segment, has announced its name change to "Midmark (India) Private Limited" effective from September 15, 2016. The company will continue to operate from its corporate office in Mumbai, India and the regional offices across the country.

After a seven-year relationship and building an equity position in the company, Midmark Corporation, USA (Midmark) had announced that it had completed process of transferring the ownership of Janak to Midmark during November, 2014. Midmark has carefully integrated and aligned the business operations in India in past 18 months. With the change in company name and logo, we wish to convey our customers and other stakeholders, merger of Janak with Midmark and our new corporate identity in India.

Midmark (India) Private Limited, as the name suggests, is deeply committed to India. Midmark has been engaged with Janak in helping transition to a world class organization and will continue to make substantial investments in improving infrastructure and processes. Midmark (India) will endeavor to build on the Janak legacy and make the world class solutions that will be manufactured in India and distributed globally. Midmark (India) has an optimistic near term plan to expand its footprint into areas of healthcare delivery in India where our brand will be relevant and be able to continue delight the customers across all tiers.

"We take our reputation for product leadership seriously. We began our relationship with Janak because we understood that having a global presence for our products with a respected company would help us target opportunities in the worldwide healthcare market where we felt like we could really make a difference," said Midmark President and CEO John Q. Baumann. "That partnership has thrived as our two companies have continued to work together to create the path to improved access and quality of healthcare for people across the world."

Janak Healthcare Pvt. Ltd was established in the year 1951. Janak pioneers in delivering quality healthcare solutions employing ethical business practices. We provide a full suite of patient care equipments and service solutions. The Company has been the first in India to develop Intensive Care Bed, Emergency and Recovery Trolleys, Two Section Labour Table and of course India's first electrically operated Hospital bed.
